CFSEK

One can never consent to creep...

FROM THE BOARD PRESIDENT AND EXECUTIVE DIRECTOR

Dear Friends,

The Community Foundation of Southeast Kansas didn't just make strides in realizing our goals in 2005. We began to fly. Contributions soared over the 1 million mark for the first time. From community outreach to granting, asset growth to improved donor and agency services, we are beginning to see the impact on decisions made in the past few years.

The true impact is not found in numbers, but numbers do create a context for how we are growing, not just in assets but in our ability to create a better Southeast Kansas through grant making.

The CFSEK received \$1,714,390.67 in contributions for the year 2005. This was made possible by additions to current funds, 9 new organizational funds, and 4 new donor advised funds. The endowments created or enhanced by these gifts will work in perpetuity creating benefits to area community non profits for generations to come.

Our continued increase in assets will grow our grant making which is the purpose behind much of what we do. Grant dollars increased to \$680,155.12. This figure includes agency endowments that grant back to themselves, individual donors who grant to charities they hold dear, funds donated for specific community projects, and grants given out during our competitive fall grant cycle. Yes, the CFSEK is helping Southeast Kansas become a better place to live.

The CFSEK trustees are committed to building a sustainable community foundation that will ensure the health and well-being of this area for future generations.

Sincerely,

Chris Ward

TYPES OF FUNDS

When people want to make a charitable gift, the most common option is to make a donation to a public charity, such as the Community Foundation of Southeast Kansas (CFSEK) that serves a broad range of causes. The CFSEK permits people to tailor their gifts to serve their charitable interests and financial goals now and in the future. A wide range of philanthropic options are offered by the CFSEK. They include:

[Donor-Advised Funds](#) are often created as an alternative to a private foundation and allow donors to recommend the charitable organizations and causes to be considered for grants.

[Field-of-Interest Funds](#) benefit specific areas such as education, youth, health, the arts, etc. that are of interest to the donor. They can also benefit a geographical area.

[Unrestricted Funds](#) give the CFSEK the discretion to make grants that address the most urgent needs of the community as they change over time.

[Designated Funds](#) make grants to specific organizations chosen by the donor when the fund is established.

[Scholarship Funds](#) Donors may designate a particular school, field of study, select eligibility requirements, and name an advisory committee.

[Agency Endowment Funds](#) are created by other nonprofit organizations as a means of protecting their charitable dollars for the future and to ensure a source of annual support for their programs and operations.

CFSEK FAMILY OF FUNDS

The CFSEK administers diverse funds that provide donors a way to make a continuing commitment to the vitality of Southeast Kansas. Many organizations have established a fund with the Foundation. THE COMMUNITY FOUNDATION LEGACY SOCIETY

The Community Foundation Legacy Society was created to thank and recognize individuals who want to make a lasting contribution to their community through estate, trust and long-term gifts to the Community Foundation of Southeast Kansas. Membership in the society is simple: notify us that you have made or intend to make a planned gift to the Foundation. Deferred gifts may be designated for deposit into existing funds of the Foundation, or for the establishment of a new fund of the donor's choice.

Did You Know?

- 70% of Americans do not have a will.
- Three places your estate can go when you die: Charity, Family, Government
- Of those people that have a will, only 5% will leave a gift to charity.

Do you have a will? Does it reflect your charitable giving wishes? Call 231-8897 to learn how the foundation can assist you with your plans.

DONOR PROFILE...GABRIEL JOHN ISON MEMORIAL FUND

John and Ronda Ison have experienced the best and the worst together. As you look at the picture of the Ison family, one special member is missing. Gabriel Ison died shortly after birth and he was John and Ronda's first born. Miracles do happen and soon Nicholas and little Greta joined big brother Anthony. Now, John and Ronda have the family they always wanted. Ronda and John decided they wanted to honor Gabriel in a very special way. After much thought, they decided to honor him with a memory fund at the Community Foundation of Southeast Kansas. When the time is right, John and Ronda, with help from their children, will begin honoring Gabriel by making grants that will benefit area youth. These grants will come from the Gabriel John Ison Memorial Fund.

FOUNDERS

For the Community Foundation of Southeast Kansas, the heart of the Foundation is the following list of generous donors who believed in this area enough to provide the financial base to establish the Foundation. These founding donors were more than just contributors; they also gave their faith and confidence in a new organization. Their vision will benefit the countless generations of Southeast Kansans to come.
