Albright Family Scholarship

Pittsburg High School & Southeast High School

Scholarship Overview:

As a way to give back to the communities that played an important role to the Albright family, the Albright Family Scholarship has been established to provide annual scholarships to encourage and support students pursuing postsecondary education from an accredited educational institution.

This scholarship is for students graduating from Pittsburg High School and Southeast High School who have demonstrated involvement in school and/or community activities, academic success or other achievements, and a general desire to build character and self-sufficiency.

It is the desire of the Albright family to provide a means for PHS and SEHS graduates to achieve their career goals.

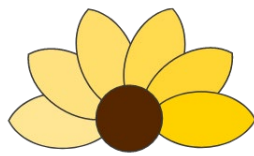

The Albright Family Scholarship will provide four annual scholarships: two students graduating from Southeast High School and two graduating from Pittsburg High School who are pursuing postsecondary education at a college, junior college, or trade school.

Four annual scholarships will be awarded. The recipients will receive a maximum of up to \$4,000 each. The scholarship will be awarded \$500 per consecutive semester for tuition assistance as long as eligibility requirements are met. This scholarship is renewable and transferrable to another educational institution while studying for an undergraduate degree. The scholarship payment will be issued to the educational institution prior to the fall and spring semesters, once enrollment and eligibility requirements are confirmed.

The final decision on duration and amount of aid shall be at the discretion of the Board of Directors of the Community Foundation upon recommendation from the Albright Scholarship Advisory Committee.
